FALLS ON RAIL; DEATH OCCURS

John Martin Lives But Few Minutes After Accident This Afternoon

WATCHMAN AT LOCAL PLANT

From heart trouble or a fractured skull sustained in a fall backwards on a rail, John Martin, aged about 65 or 70 years of Shovel Row died suddenly at the Fifth street office of the Pittsburgh Plate Glass company at 1:30 today.

Martin was wheeling a wheelbarrow at the Plate Glass office when he suddenly fell backwards. His head struck a rail, but he arose unaided and sat down on his wheelbarrow. In a moment he fell from this and was carried into the office where he died almost instantly. Doctors who examined him were of the opinion that death was due to heart trouble.

The body was taken to Deputy Coroner L. B. Frye's morgue. Mr. Martin is survived by a large family. He was employed as a night watchman at a local plant.

BABES LICKED BY THE RANKIN INDEPENDENTS

The Charleroi "Babes" were vanquished Memorial day afternoon by the Rankin Independents by the score of 3 to 1. The game was conspicuous by the lack of hits on both sides and by a wonderful play by McTierney in left field for Rankin. McTierney caught a fly ball from Schafer's bat in a sensational manner.

RAILROAD WILL HAVE REGIMENT

Three Companies to be Organized Among Monongahela Division Men

IS A PREPAREDNESS SCHEME

If present plans do not miscarry, the Pennsylvania Railroad company will shortly have a fully organized regiment, a step in the line of preparedness that is being taken by many of the large corporations and industrial companies in the country. It is the aim, it is understood to enlist an entire regiment in the Pittsburgh district, the several companies being at the different terminals.

It is said that the Monongahela Division will get two companies and perhaps a third, located at Thirteenth Street, Pittsburgh; Shire Oaks and perhaps Brownsville.

Already the work of organization is under way at Thirteenth street and at Shire Oaks and at the latter point forty-two employees of the company have enlisted in the cause. The campaign for preparedness has not been given out publicly but it is understood that the P. R. R. regiment is to be standardly equipped and drilled to a point of fine efficiency, by men experienced in military tactics. Many of these are on the pay roll of the company and if they can be enlisted into the cause, the organization should soon be successful from a point of efficiency.

The announced purpose of the step is to provide a regiment in case of need by the United States and not to provide militia for guard duty at labor or other disturbances not assuming the importance of an invasion. The movement is in line with similar movements being undertaken by other corporations.

LANDMARK PASSES TO MAKE ROOM FOR CHURCH

First Baptist Congregation Vacates Building at 327 Washington Avenue That Builders May Start Work on Proposed New Edifice

Members of the First Baptist church Tuesday vacated the old building at 327 Washington avenue preparatory to its removal to make room for the erection of a new edifice on the site. Building operations are to be started soon by the Charleroi Lumber company to whom the contract for the erection of the church goes.

With the removal of the old church building, one of the oldest structures in Charleroi passes into memory. Really it was one of the first buildings used for church purposes, the First Presbyterian congregation having used the building early in its history. After that time the building was put to various uses until a few years ago when the First Baptist congregation acquired the site.

The new church will be built on the two lots owned by the Baptists. The structure will be a neat one well suited to the needs of the church and the seating capacity will run from 200 to 250.

During the course of erection services of the church will be held at the Majestic theatre, beginning next Sunday. Prayer meetings will be arranged as convenient. That tonight will be held at the home of Dr. and Mrs. C. C. Wright.

OBSEQUIES HELD TODAY FOR MRS. CLAYBAUGH

The funeral of Mrs. Mary Ann Claybaugh, who died suddenly Sunday morning at her home on Lincoln avenue, was held today. Requiem high mass was celebrated at St. Jerome's Catholic church by Rev. W. D. Fries, pastor, who was assisted by Rev. Robert A. McDonald, a former pastor, and Rev. S. A. Welsh, present assistant. The body was taken to Brownsville for interment in a Brownsville cemetery.

DENTAL THIEF OPERATES AT OFFICE OF DR. TAYLOR

Dr. W. P. Taylor of Monongahela, with Dr. E. L. Taylor of Monongahela is suffering the loss of valuable dental property as the result of the visitation of a thief. The thief took all the gold he could find and then searched for platinum filled teeth, showing he was a professional. There has been no trace of the thief found. The loss will be about \$150 to Dr. Taylor.

FALLS THREE STORIES AND SPRAINS HIS ANKLE

Mike Keetsa of Monongahela is suffering from a sprained ankle and a slight head wound as the result of a fall of three stories down an elevator shaft. Mike partook of refreshments at a dance and started for the door to the stairway at Markell hall. He had poor success at finding the stairway, but did manage to hit the next to it, the elevator door. Opening it he walked off into space. His cries were heard and he was picked up at the bottom of the elevator a few minutes later, fussing and fuming, but otherwise not much damaged.

INCLEMENT WEATHER SPOILS MEMORIAL DAY ENJOYMENT

Organized Celebration Impossible Because of Rain—Many Enjoy Afternoon and Evening at the Park.

Last morning of Tuesday morning spoiled in part what Memorial day celebration there would have been in Charleroi, yet the day was enjoyed as a holiday. In the afternoon, the sun emerged from a range of clouds, people were attracted to a number headed for Eldora park. Dancing was indulged in there afternoon and evening.

Grand Army posts in valley towns celebrated the day much after the usual manner, though the ardor and enthusiasm of the day was somewhat dampened by the rain. A motorcycle trip to Wheeling by a local party was spoiled as well as motorcycle races at the Belle Vernon track.

MATTHEWS' COMPANY TAKES OVER ANOTHER DUBOIS STORE

Former Charleroi Young Men Making Good in Clearfield County—Entered Business Few Years Ago.

A business deal of interest to Charleroi people has just been consummated at Dubois. This was for the purchase of the Johnson book store by the Matthews' Book store company. Stafford Matthews, one of the company has assumed the management of the new store.

The Matthews' company is composed of Stafford, Luke and Walter Matthews, of Charleroi, and their father, Joseph Matthews. They entered business at Dubois a few years ago by the purchase of a store and have made a success. This will make the third store of the company. However one of them will be done away within a year. Probably the company will incorporate shortly.

SCHOOL OUTING GREAT SUCCESS

Monday Events Highly Enjoyed at Eldora—Athletic Events Featured

VALUABLE PRIZES ARE GIVEN

One of the best attended and one of the most enjoyed school picnics ever held by the Charleroi schools was featured at Eldora park Monday marking formally the close of the school term. The day was one grand day of sport for the children and a continual round of pleasure for their elders, who somehow did not seem to suffer from customary "picnic tiredness."

Amusements were kept going all day and until late at night. The evening was one of the most enjoyable parts of the day for the young folk, who crowded the dancing pavilion to enjoy the evening's dancing program.

So far as could be learned not a single accident of consequence occurred. Transportation was well handled through the efforts of the school teachers and committees, Eldora park management and Pittsburgh Railway company officers. On the return trip cars left the park from 4 to 7 o'clock.

One of the big features of the day with the school children was that of the afternoon athletic contests. Winners of events were as follows:

- 1—100 yard dash for boys 1st and 2nd grades—First prize, first baseman glove, Wilmont Hancock; second prize, fielder's glove, Henry Affeltranger.

AFTER SIX YEARS OF SUFFERING

Woman Made Well by Lydia E. Pinkham's Vegetable Compound.

Columbus, Ohio.—"I had almost given up. I had been sick for six years with female troubles and nervousness. I had a pain in my right side and could not eat anything without hurting my stomach. I could not drink cold water at all nor eat any kind of raw fruit, nor fresh meat nor chicken. From 175 pounds I went to 118 and would get so weak at times that I fell over. I began to take Lydia E. Pinkham's Vegetable Compound, and ten days later I could eat and it did not hurt my stomach. I have taken the medicine ever since and I feel like a new woman. I now weigh 127 pounds so you can see what it has done for me already. My husband says he knows your medicine has saved my life."—Mrs. J. S. BARLOW, 1624 South 4th St., Columbus, Ohio.

Lydia E. Pinkham's Vegetable Compound contains just the virtues of roots and herbs needed to restore health and strength to the weakened organs of the body. That is why Mrs. Barlow, a chronic invalid, recovered so completely. It pays for women suffering from any female ailments to insist upon having Lydia E. Pinkham's Vegetable Compound.

Chopin and George Sand. With regard to George Sand, A. B. Walkley, the English critic, writes: "The mixture of passion and printer's ink in the lady's composition is surely one of the most curious blends ever offered to the palate of an epicure." "But it was a blend that gave the lady an unfair advantage over posterity. One feels this in regard to her affair with Chopin."

As Prince Karol, George Sand took no trouble to conceal the great composer's identity. Written while they were still together, her children said to him. "Dear Chopin, have you read 'Lucycrecia'?" "Mamma has put you in it."

A RESPIRE.

"How would you like to be an explorer and visit unfrequented parts of the earth?"

"I would like that first rate," replied the weary mortal. "It would be a positive relief to find myself in a place where I wouldn't hear any war news for six months or a year."

"Pray compose yourself," said the man who was getting the best of the argument.

"Compose myself!" exclaimed the other. "I'd have you know, sir, that I am already a self-made man."

Fired Bullets in Gunstocks. Employees of the Remington Arms company's plant at Eddystone, Pa., in turning out gunstocks for the allies have made the interesting discovery that they are constantly coming across bullets imbedded in the rough walnut stocks. These stocks are shipped to Eddystone in the rough from points in the West and South and stored in an immense dry kiln.

It is considered not improbable that the bullets may have been buried in the trunks of the walnut trees either in the war of half a century ago or longer ago, in the days of bloody strife between the "noble red man of the forest" and the settlers of the West.

Respect for Law?

Because an assistant district attorney was on the car and because the dead bird was legally property of the state, everyone on a Rochester (N. Y.) trolley car was afraid to touch the body of a pheasant which flew through the window and killed itself the other day, the conductor, careful not to lay hands on the bird, finally pushing it off the car with a stove poker.

Southern Sugar Sweets.

Peel sweet potatoes and slice in three-quarter inch slices enough to fill a medium-sized baking dish. Just cover with cold water. Pepper and salt the top and sprinkle about one-quarter cupful of sugar over the whole and just a dash of nutmeg. Melt a good teaspoonful of bacon fat, or two teaspoonfuls of butter, and pour over the whole. Bake till soft and browned on the top.

Hot Fricassee.

Cut into small pieces the remains of a roast, either beef, lamb or veal, put into a frying pan, dredge thickly with flour. Season with salt and pepper, cover with cold water and cook gently. Serve very hot with mashed potatoes. At this time of the year potatoes are much nicer mashed or scalloped than boiled. They go farther also.

THAT KNIFE LIKE PAIN

Is Only One of Nature's Warnings Of Weak or Disordered Kidneys.

Have you a lame back, aching day and night? Do you feel sharp pains after stooping? Are the kidneys sore? Is their action irregular? Use Doan's Kidney Pills—the medicine recommended by so many Charleroi people. Read this case:

Mrs. D. F. Worthington, 914 McKean Avenue, Charleroi, says: "I was troubled by backache for years. The pains were so intense at times it made me sick all over. In the morning when I tried to get up, I was worse. Whenever I stooped a sharp pain darted through me and I could hardly catch my breath. Often it was just as though a knife was being stuck into me. I was tired all the time. I had rheumatic pains throughout my body and my feet became swollen. Two boxes of Doan's Kidney Pills, procured at Piper Bros' Drug Store, relieved me of all symptoms of the trouble. I now take Doan's Kidney Pills once in awhile as a kidney tonic and they always help me." simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Worthington had. 47th anniversary

june 5th to june 10th inclusive

This is the 47th—from an age standpoint—as this store was founded in June, 1869.

However, this is the First Anniversary of this store under the present ownership.

In 1912 we sold this business—and the other people had an Anniversary Sale each year for three years while they were operating the business. Last November (1915)—we (R. H. Boggs and Henry Buhl, Jr.) repurchased this entire business—and hence this is the first Anniversary Sale—by the present ownership.

This is to be a real Sale—the "old time" genuine kind—going to surpass all previous selling records—with goods and prices.

Sale is to last a week—commencing Monday, June 5th—ending on Saturday, the 10th.

Over two million dollars' worth of medium to finest merchandise here to choose from.

Several hundred thousand dollars of this stock was looked after and bought during the past two months for this Sale—the markets were thoroughly searched—for the right kind of goods—that importers and manufacturers wanted to sell—and all bought for cash, when a price was made that was sufficient inducement.

Therefore, there are inducements in styles, quality and prices in every department that will make this a profitable Sale for everybody who reads this—whether they live in or out of town—or, even if you have to come a long way and stay over night, it will pay you to come.

The Opening Day—Monday—will be great—but there is such a stock of goods here, and prices—that EVERY day of this 1916 Anniversary Week will be all great Sales days—in every department—from the top floor to the basement—read the advertisements each day in the Pittsburgh papers—extraordinary news—worth knowing.

WEST PENN POWER COMPANY

7% CUMULATIVE PREFERRED STOCK

(Shares of \$100 par value)

Preferred both as to assets and dividends

Redeemable as a whole or in part at 115 and accrued dividend upon six months' notice. Dividends payable quarterly, February 15, May 15, August 15 and November 15.

TAX EXEMPT IN PENNSYLVANIA

The West Penn Power Company was organized under the laws of Pennsylvania, March 1, 1916, for the purpose of consolidating under a single fee ownership the principal electric light and power properties owned by the West Penn Traction Company. The West Penn Power Company does a general electric lighting and power business, serving some seventy-five cities and towns in the territory surrounding Pittsburgh, Pennsylvania.

For detailed information regarding this stock, attention is directed to the accompanying letter of Samuel Insull, Esq., President of the Company, from which we summarize the following:

The proceeds of this stock will be used for additions, improvements and extensions to the Company's property.

No additional preferred stock, except \$1,000,000 par value, may be issued unless surplus earnings after payment of bond interest shall equal at least Three Times the annual dividend requirement on all preferred stock outstanding, including that proposed to be issued.

Franchise situation is eminently satisfactory.

On the basis of the appraisal of our examining engineers and the investment of cash realized from the present financing the value of the property is largely in excess of the outstanding bonds and preferred stock.

The physical property is in good condition and provision is made by mortgage covenant for adequate maintenance and renewal thereof.

Earning capacity of the property, as shown by certified statement of independent auditors, is far in excess of interest and dividend requirements. For the twelve months ended December 31, 1915, surplus earnings after payment of all fixed charges were equivalent to over five times dividend required on present issue of preferred stock.

Territory served comprises one of the very best power situations in the United States and offers exceptional opportunities for largely increasing the Company's business.

Why that knock

Bent cam-shaft? Maybe. Timing-
gears a little loose? Perhaps. Ten-
to-one, the power plant is chuck-full
of carbon. And it was only last
month you had the valves reground.
Good Night! There you are--the
symptoms are unmistakable: im-
proper lubrication.

Atlantic Motor Oils will
offset that condition
like magic. They will
diminish carbon to an
absolute minimum--
and the knock will take
to the tail timber in the
bargain.

Atlantic Motor Oils are
not prescribed as a pan-
acea for car-troubles,
but they are recom-
mended by the oldest
and largest manufactur-
ers of lubricating oils
in the world as the cor-
rect lubricants for all
makes of motors.

Polarine, the famous

year-round lubricant, is
exactly right for eight
out of ten cars. Under
certain conditions, your
particular motor may
require one of the other
principal motor oils--
Atlantic "Light," At-
lantic "Medium," or At-
lantic "Heavy." Your
garage man will advise
you which.

Actual tests demon-
strate that proper lubri-
cation often increases
gasoline-mileage by as
much as five miles to
the gallon. That's worth
considering.

Read up on this subject. We have published
a handsome and comprehensive book about
lubrication. It is free. Ask your garage for it.
